

# ski with an olympian

at Deer Valley

---

## What is the "Ski with an Olympian" experience?

It's an opportunity to experience skiing in Deer Valley like never before, with a former Olympian as your private guide. Spend the day flying down the slopes as a former Olympian provides invaluable insight on how to navigate various terrain(s) and skills needed to become an incredible skier.

## What are the other perks of the "Ski with an Olympian" experience?

Not only do you get to spend your entire day on the slopes with a former Olympian, but you will also get first tracks before the resort even opens and you skip all lift lines for the duration of your day.

## What are the dining options like for the "Ski with an Olympian" experience?

Put the cherry on top of your entire day by indulging in a private breakfast with an exclusive private chef. These dining experiences will be specially curated by you, our Abode Concierge Team, and our hand selected private chef to give you one of the most unforgettable one-of-a-kind dining experiences.

## What is the end of day celebration?

Wrap up your day with an amazing Après Ski Celebration back at your Abode featuring custom created cocktails, local beers, tangy wines, and specialty apps curated by your private chef.
